## Ingredients

**3 ½ - 4 cups** sweet or tart cherries, stemmed, pitted, and halved

**2 Tbsp** unsalted butter

**3** Farm Boy™ Omega-3 Eggs

**2/3 cup** Farm Boy™ Organic Whole Milk

**2/3 cup** whipping cream or half and half

**½ cup** Farm Boy™ All Purpose Flour

**½ cup + 2 Tbsp** granulated sugar, divided

**1 tsp** vanilla extract

**½ tsp** almond extract

Pinch salt

Icing sugar for dusting

## Directions

- 1 Preheat oven to 375°F.
- 2 Place butter in a 10" shallow baking dish or cast-iron pan and place in the oven to melt. Swirl so it coats the bottom and sides of pan. If using a cast-iron pan, you can also do this on top of the stove.
- 3 Remove pan from oven and arrange cherries in a single layer in the pan.
- 4 In a blender jar, combine Omega-3 Eggs, Organic Whole Milk, whipping cream, All Purpose Flour, ½ cup sugar, vanilla and almond extracts, and salt. Blend until completely smooth.
- 5 Pour the batter slowly over the cherries in the pan and bake for 20 minutes. Remove from oven and sprinkle the remaining 2 Tbsps of sugar over the top.
- 6 Place back in the oven and bake until just set and the top is golden brown, about another 18-22 minutes. A tester inserted in the centre should come out clean, but the centre will be a bit soft.
- 7 Let cool on a rack for at least 30 minutes, then dust with icing sugar and serve.
